I am pleased to announce that Virtu has entered into a definitive agreement for MATCHNow to be acquired by Cboe Global Markets, making MATCHNow a part of one of the largest global exchange operators.

MATCHNow has a strong track record of success, based on deep customer connections and a history of innovation in the Canadian equities market.

Cboe is the perfect partner to propel MATCHNow's next phase of growth, and MATCHNow provides Cboe with an innovative equities platform and a strategic pathway into Canada.

If you have any questions, please do not hesitate to reach out. We would be more than happy to have a call.

We look forward to discussing our future plans with our valued customers and partners!
